The screenshot shows a mobile application interface with a status bar at the top displaying signal strength, 43% battery, and the time 12:01. The app has a green header bar with a back arrow and the title 'Transactions'.

On the left, there is a sidebar menu with a 'Packer:' dropdown set to 'AGRIBALTE'. Below it are three items: '14-ORV-ESP', '13-ORV-ESP', and '12-ORV-ESP', each with a green plus icon. An 'Apply' button is at the bottom of this menu. Below the menu is an image of two orange slices.

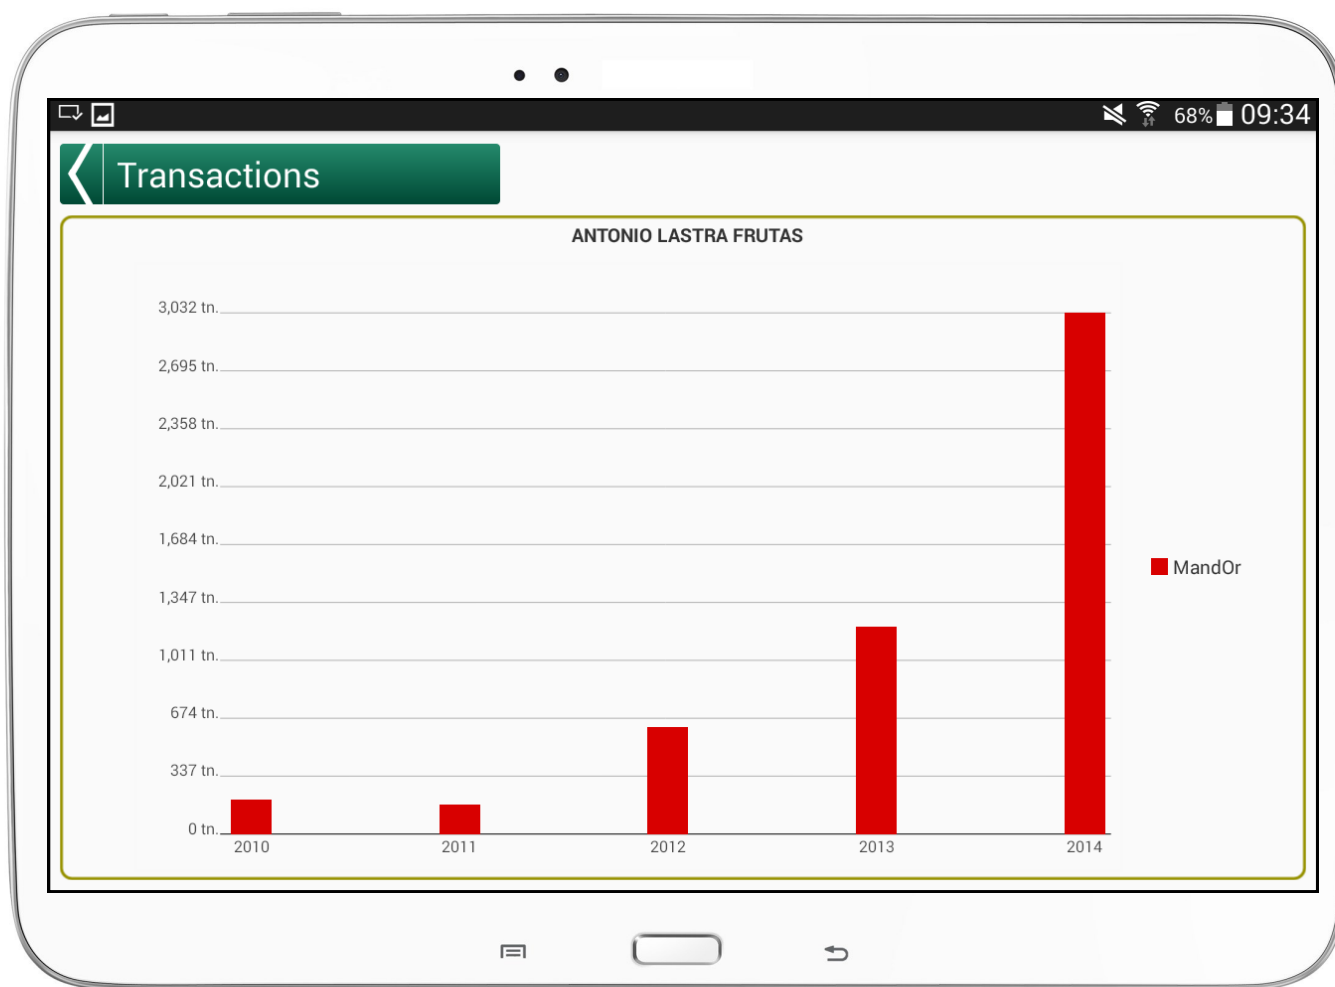

The main area is divided into two tabs: 'TRANSACTIONS' (active) and 'PACKER'. The 'TRANSACTIONS' tab contains a table with the following data:
